

# **Memory Lane Social Club at the library**

**Fourth Wednesday of the month  
10am-12pm  
Clive James Library, Kogarah**

**Memory Lane Social Club is a place for people with dementia and their carers to make connections and enjoy themselves with others in a friendly and supportive community setting.**

**It's not a support group, but an opportunity to meet up with others, share a cuppa, and participate in fun guided activities. Come along, have a laugh, reminisce, and maybe make a friend.**

**No bookings required. Library is fully accessible.**

**This program runs February-November.  
Call 9330 9527 for more information.**
