

# Women's Cervical Screening

(Pap Smear)

## Information Session

Date: **Monday 15<sup>th</sup> April**  
Time: **1.30pm to 3.00pm**

**Orana Sutherland**  
3a Stapleton Ave, Sutherland

*Cervical Screening*

Come and join Jocelyn Clark,  
Women's Health Nurse, Women's  
Health Program, SESLHD

*Cervical screening is a simple test every 5 years that can help you stay healthy.*

*You can choose to screen by -*

- *Collecting your own sample (self-collection) or*
- *Having a doctor or nurse collect your sample.*

*Both ways test for a virus that can lead to cervical cancer.*

*Come along and have your questions answered.*

**Call 95252058 to reserve your place.**
