

UNMASKING THE MINDSET: A UNIQUE APPROACH TO GAMBLING HARM TREATMENT

Prósper
Project Australia

Who is this webinar for?

This professional development webinar is for anyone working with or researching vulnerable populations related to mental health.

Ideal for:

-  Counsellors
-  Social Workers
-  Academics
-  Therapists

What you'll learn

Explore the mindset that motivates gambling, from its origins to methods of reversal. Focus on how everyday mental processes play a role in perpetuating harmful gambling habits.

Presenters

- Adrian Ienna – Clinical Psychologist
- Simon Limbers – Psychologist from GambleAware

When

 Date & Time:
Thursday, 24 October
10:30 AM – 12:00 PM
