Parent coaching

Parents that have attended our courses are able to access up to three sessions of one-to-one parent coaching to assist in the practice of techniques and consolidating information from the courses they have attended.

Our team of group facilitators are therapeutically trained and skilled in child development. Their focus is to bring knowledge about attachment and supporting parent/child relationships.

Additional time with a facilitator can help parents feel more confident using different approaches with their children, leading to improved relationships and children receiving the support they need to feel happy and secure.

Our parenting coaching sessions have a cost per session. If you are experiencing financial hardship or have a concession card, reduced cost sessions are available.
