

Certificate IV Mental Health

CHC43315

- Nationally Recognised Training
- This training is subsidised by the NSW Government

Course description:

Explore mental health issues and gain the necessary skills to make a difference in the lives of others. Empower people through the recovery framework as you enter a rewarding and in-demand sector.

Learning Outcomes:

- Support people experiencing mental health issues
- Work collaboratively with other services
- Explore trauma informed practices
- Empower people through the recovery model
- Communicate effectively with clients and other services

Course outcomes include:

- A nationally accredited qualification at certificate IV level
- A minimum of 80 hours of work placement in industry
- The skills to contribute to the wellbeing and recovery of a diverse range of people
- A sound understanding of the legal and ethical requirements in industry
- Strong pathways to continued studies to enhance your career

How to get involved:

Join our multiple Information Sessions on each Tuesday afternoon from 3.30pm to 4pm online or face to face. Information can be found on TAFENSW website under Cert IV Mental Health, St George Campus.
