Feeling Overwhelmed?

Come to SafeHaven for a chat with people who understand

THIS SERVICE IS
FREE & CONFIDENTIAL

ANYONE WHO IS OVER THE AGE
OF 16 IS WELCOME AT SAFEHAVEN

What is SafeHaven?

SafeHaven is a friendly, compassionate place where everyone is welcome and you won't be judged.

If you or someone you care about is experiencing emotional distress, such as suicidal thoughts, and you'd like support, SafeHaven is here for you.

You may be feeling alone and wanting social connections or you might just want a place to go where people get it.

Staff members at SafeHaven are here to listen and understand. Most of our SafeHaven team have had their own personal lived experience of suicidal distress.

Why?

Often when people feel suicidal the only place to visit outside business hours is an Emergency Department.

SafeHaven is another option which provides a different kind of support. You can chat to us, have a tea or coffee, join in an activity or sit in a quiet spot and listen to music.

We can also support you to find out about other services that can assist you with immediate or longer term needs. You choose what is right for you.

Here for you.
