

PLAYGROUPS BENEFITS FOR CALD FAMILIES WEBINAR

Presented by Prosper (Project Australia).

Discussing the benefits of running playgroups for children and families from Culturally & Linguistically Diverse (CALD) backgrounds.

SUMMARY:

We will discuss the many benefits of running playgroups for CALD children and for their families, including improved social, cognitive and language skills, emotional support, reducing cultural barriers and parent empowerment.

Great for anyone looking to start a playgroup and to educate carers, families and the whole community about the positives associated with playgroups!
