

# Playgroup NSW has something for everyone!

Playgroups are a way to access and offer support to other families and they're also the perfect opportunity for children to socialise, learn through play and prepare for school, while parents make friendships that last a lifetime.

Playgroups allow children to connect with their parents. Parents to connect with other families. And families to connect with their broader community.

## Sutherland Supported Playgroup

If you're looking for a way to connect with other families, build your village and be actively involved in your child's early learning, complete the form at the QR code below and we'll be in touch!
