

A young girl with her hair in a ponytail is looking intently at a vertical display of colorful bubbles. The scene is lit with vibrant blue and purple light, creating a sensory atmosphere. The text 'Sensory Play Area' is overlaid in large white letters on the left side of the image.

Sensory Play Area

Bayside Libraries are trialling a small sensory play area at Mascot Library during school term from February 2025.

Come and enjoy the ambience of our bubble light, a variety of sensory items, giant soft cushions to sit on, spinning board and play tents.
