

# Statement of Attainment in Apply Acrylic Nail Enhancements

900-83036V01

- Nationally Recognised Training

## Course description:

This skill set is aimed at individuals wanting to enter the beauty industry as a nail technician, to make people feel better with exceptionally polished nails.

Under the guidance of an industry experienced facilitator, you will gain hands on practical skills and knowledge to provide manicures and pedicures, apply acrylic nails, apply hand painted designs, decals or diamantes for fingers or toes, and learn how to clean and maintain nail equipment.

Maintaining professionalism in the salon is essential. Having the willingness to work with a variety of chemicals for nail enhancements, be comfortable touching hands and feet, and being time efficient. Students will put their skills to the test and experience the real world, by providing nail services to paying clients in our on campus simulated beauty salon.

## Career opportunities:

Nail technician, beautician.

On successful completion of the five (5) units of study, you may gain credit towards the *Certificate III in Nail Technology (SHB30315)*, or *Certificate III in Beauty Services (SHB30115)*.

## Course outcomes include:

Completion of assessments (Quiz and Practical Observation) are required to successfully obtain these units:

- SHBBNLS009 Apply acrylic nail enhancements
- SHBBNLS011 Use electric file equipment for nail services

## Uniform requirements:
