# Ageing and Neurodiversity – Dispelling the Myths

**Thursday**  
**19 March 2026**  
**11am – 12.30pm**  
(via online)

**PROFESSOR**  
**SANDRA THOM-JONES**

Presented by Professor Sandra Thom-Jones, this session dispels the myths and statistics relating to Autism and Ageing and provides lived experience insights.

Known as the Autistic Professor, Sandra speaks candidly and passionately, backed by academic research.

*Please note there will be a lock-out in place after 15 minutes of commencement*

This training session will explore Ageing and Autism, a hidden group where understanding is poor, misdiagnosis is often, and miscommunication is daily.

Join us for this informative and inspiring training session, which will include a Q&A session.

Suitable for people aged 18+ years
