

An Invitation to Stronger Together: Community Workforce & Volunteer Expo

The Workforce & Volunteer Expo Committee, representing St George, Sutherland, Bayside and Georges River Councils, alongside local aged care service providers, is delighted to announce the upcoming **Stronger Together: Community Workforce & Volunteer Expo**. This event brings together our community's diverse workforce and volunteer networks, highlighting the many pathways to meaningful work, learning, and contribution.

Date: Thursday, 29 April 2026

Time: 10.00 am – 12.00 pm

Venue: Marana Auditorium, 16 Macmahon St, Hurstville

We extend this invitation with the hope that you will join us to explore workforce and volunteering opportunities, connect with local organisations, and meet the many services that support workers and volunteers across our community. The expo also offers valuable exposure to real-world work experience, pathways, and connections.

- Our aim is to create a welcoming, engaging morning focused on learning, sharing, and connection. The expo will provide a platform for community members, job seekers, students, and volunteers to engage with organisations, hear real stories from guest speakers, and discover opportunities to make a meaningful difference, while building confidence, skills, and future pathways.
- Your participation would greatly enrich the day and shine a light on the important role your organisation plays in supporting collaboration, and the development of our future workforce and volunteer base. We are keen to showcase the very best of what South Eastern Sydney LGAs have to offer, and your involvement would be a valued part of that vision.
- We are currently reaching out to a range of organisations to participate in what we believe will be a practical, engaging, and rewarding event for everyone involved. If you'd like to explore this opportunity further or have any questions, We would be very happy to connect.

If you would like to participate, please complete the [Expression of Interest form](#)
