Acrylic Painting with Liz

This session will include an introductory lesson on painting with acrylics,
where participants will be given guidance on how to complete their own painting

Please bring your own – brushes, paints, painting paper/canvas and a 'messy shirt' (for painting) – if you have them. You can also bring inspirational photos to paint.
Some materials may be provided for participants who don't have their own.

Facilitated by Liz Burcher, Randwick Art Society Inc
