Tuesday 15 December

11.00-2.00pm

Christmas Craft - Knitting with Liz

Come and join Liz from Fix it Sisters to learn to knit!

Create beautiful Christmas decorations to celebrate the season!

All materials may be provided for you – participants are encouraged to bring their own knitting needles – preferably 4mm bamboo – so you can work on your project between sessions. You can also bring your own 8ply yarn if you prefer.

Come along and join the fun!

Liz Barlow is an experienced and very creative knitter with the Fix it Sisters Shed.

The **Fix it Sisters** Shed is a not-for-profit in southern Sydney, empowering women of all ages with practical and creative skills
